

WORK EXPERIENCE PLACEMENTS FOR FOREIGN STUDENTS

English Work Placements Limited provide work experience placements for foreign students wishing to develop their English language ability and further their international careers. We are based in the **City of Brighton, on the South Coast of England** and are looking for further students from Universities, **Business Schools**, Colleges and individuals wanting work experience in the UK.

Our work placements are for European students and students that hold valid working student visas. The Level of English for a work placement must not be lower than Intermediate Level. All students must be 18 years or over.

At English Work Placements we devote our time to matching students requirements to that of the Company work placements. Our work placements are a minimum of 4 weeks. We have a large variety of work placements and we cater for individual students as well as large groups.

We are a dynamic, reliable and friendly company and will do our utmost to fulfil each student's specific requirements.

Our work placement areas cover Administration, Architecture, Customer Services, Computer/IT, Sales & Marketing, Secretarial, Research and many more.

We provide host family accommodation for students. Our experienced Accommodation Officer has been placing foreign students into host family accommodation for over 30 years.

We provide all students with 24 hour Support throughout the duration of their work placement.

Further information can be found on our website www.englishworkplacements.com or you can contact us directly at enquiries@englishworkplacements.com

Please note all work placements are unpaid. However, some companies may contribute towards the students' travel and/or lunch expenses. This is not to be expected as it is at the discretion of the Employer.
