

CALL FOR “UDC INTERNATIONAL AMBASSADOR” CONTEST

ACADEMIC YEAR 2022/2023

The University of A Coruña, through its Vice-Rector's Office for Internationalisation and Cooperation, announces the “UDC INTERNATIONAL AMBASSADOR” contest.

The presence of regular foreign students alongside UDC mobility programs (Erasmus program and its own bilateral exchange program) are allowing participating students to improve their chances of finding a job, acquiring new perspectives on sustainable development, learning languages and achieving a clear idea of what European citizenship means.

In addition, this diversity works as an essential tool within the process of Internationalisation at home for the whole student body as it promotes the coexistence of multiculturalism and multilingualism in our classrooms. All this can be seen as an instrumental factor in the international projection of the institution which is proud to welcome staff and students from partner universities and from any geographical rovenance all over the world. Hosting foreigners and making them feel at home is one of the basic pillars to make the University of A Coruña visible in a global environment.

OBJECT OF THE CONTEST

The purpose of this call is to publish the “UDC Student Ambassador” contest. This contest aims at praising the experiences of **regular students of foreign nationality** enrolled in official studies at UDC and **incoming students** from partner institutions that have participated or are still participating in an **incoming mobility in the 2022/2023 academic year**.

The final aim is to reinforce the image of UDC as an institution of higher education at a global level, emphasizing the educational opportunities of students, academic and nonacademic staff, the scientific advances of the various research groups, universitycompany collaborations and the ties between UDC, the towns where it is located and the surrounding areas.

Moreover, the contest intends to promote the development of attitudes and values of respect, commitment, responsibility and solidarity.

DESCRIPTION OF THE CONTEST
